

Comparison of website maintenance: my website maintenance fee is either \$25.00 an hour, or I provide a month-to-month maintenance service for \$100.00 per month. Please read and compare below.

Website Maintenance Comparison*	\$25.00/hourly (min. 1 hour)**	\$100.00 Monthly Maintenance***
Graphics and photo editing/creating	\$25.00 hourly (most graphics and photos average up to 1 hour each)	Graphics and photo editing up to 30 images monthly
Pages: writing content, proofreading, adding, updating pages	\$25.00 hourly for creating, updating, proofreading pages. If you are planning to grow your website, for example, in the future add 5 pages, then 5 pages would be approximately \$100.00	Up to 20 pages updating of page content, writing content, adding pages, proofreading. Turnaround time is 24 hours from the time the client requests changes.
<p>*Website maintenance defined: Website maintenance means the day-to-day updating and adding of graphics and photos. It also means the day-to-day writing of text (content) for a website. Website maintenance does not include the following services:</p> <ul style="list-style-type: none"> • Any dynamic item: • event calendars, • flash (animated) photo gallery, • search engine submission, • forms, • or any special coding such as cgi for a database, etc. <p>Note that web pages and graphics do not need special coding. Designer reserves the right to explain to client what is and isn't a dynamic service. There are no hidden fees in the costs of services. Please go to Roxie Hannemann's Design Services and Costs page for details.</p>	<p>**If you plan on having just a few changes during the month, then you will most likely want to pay by the hourly rate.</p>	<p>***If your plans for advertising and marketing change daily and weekly, then you will most likely want to pay the monthly maintenance fee to save costs.</p>
